Recommendations:

- 1. Provide extra practice in Mathematics, Biology, and Geography.*
- 2. Supervised study sessions at the boarding*
- 3. Close monitoring by teachers and hostel staff.*
- 4. Encourage active participation in class discussions.*

Graduation Selina, 10-10-25

2. Frank Joseph Wambura – 17 years

He has not taken midterm tests; he continues with weekly tests to track his progress before the national exam.

He will not have an annual report this year; results will be available after the national exam.

He did not come home for the holiday; he is busy preparing for his Form Four national examination. We had a good talk, and he shared that after finishing, he wishes to go to college to study livestock keeping so that he can one day raise cattle. He does not wish to continue to Advanced Level. I have already paid his graduation contribution.

Graduation Frank, 17-11- 2025

3. Diana Joseph Wambura – 15 years

Diana has returned home for one week holiday with her results of Division III, 26 points. She has worked hard, and I believe she will do well in her national Form Two examination.

4. Julius Baraka Mlinga – 14 years

He is preparing for the national exam, so no midterm tests.

Results will be released in December, which will show whether he qualifies for secondary school.

5. Baraka Chacha Kikoru – 11 years

I will follow up on his results on Wednesday.

He will not have an annual report this year, as he is taking the national exam to determine promotion to Standard 5.

Drie andere kinderen Arnold (13), Judilisa (10), and Gerald (7) worden tot op heden niet gesteund door de stichting. Zij komen wellicht in aanmerking voor ondersteuning als ze naar het vervolgonderwijs gaan.
